PROFILE

Having been a dedicated educator for more than a year as an Assistant professor in the Department of Commerce, I bring with me a strong base in commerce and commitment to ensure an engaging learning environment for my students. Possessing a master's degree in commerce, my educational background equips me with deep subject expertise and techniques required for effective teaching.

PROFESSIONAL EXPERIENCE

February 2024 –
June 2024
Karaikal

Pondicherry University, Guest Lecturer, Department of Management Studies

- Delivered comprehensive lectures on core management subjects such as Financial Management, Accounting, Marketing, and Organizational Behavior to MBA students.
- Designed and implemented lesson plans that enhanced understanding of complex business concepts, integrating real-world case studies to facilitate practical learning.
- Assessed student performance through assignments, projects, and examinations, providing constructive feedback for improvement.
- Adapted teaching methodologies to suit diverse learning needs, ensuring clarity and retention of course materials.

September 2022 –
October 2023
Villupuram

Theivanai Ammal College for Women, Autonomous,

Assistant Professor, Department of Commerce

- Dedicated to engaging with all facets of student learning as an Assistant Professor.
- Served as the Commerce Department Club Coordinator, fostering student involvement.

EDUCATION

2020 – 2022
Pondicherry

Pondicherry University, Master of Commerce (Accounting and Taxation)

2017 – 2020
New Delhi

University of Delhi, Bachelor of Commerce

Kottayam

Jawahar Navodaya Vidyalaya,

All India Senior Secondary Certificate Examination (AISSCE)

CERTIFICATES

- UGC-NET Commerce

COURSES

July 2023 –

September 2023

Consumer Behaviour, NPTEL

The course aimed at studying the consumer behaviour in various markets and its further consequences. It also provided me with perspective on various psychological factors that affect the behaviour and action of consumer in the global market.

PROJECTS

2021 – 2022

Comparative Analysis of Mutual Funds

The research focused on assessing the performance of five distinct mutual funds, taking into account key indicators such as the Sharpe ratio, Jensen's alpha, and Treynor's ratio. Through this analysis, I successfully pinpointed the top-performing mutual funds across different market capitalization.
